Roses Make Ideal Gifts—Perfect for Any Occasion

The Chrysler Imperial Rose is unmatched by any other red rose. Its vivid, rich tones of crimson are enhanced by darker overtones of glowing oxblood red, and the gem-like luster of garnet in the folds retains its sparkling beauty.

Long, tapering buds unfold even in adverse weather, opening to large, high-centered flowers measuring 4 1/2 to 5 inches with 40 to 50 wide petals. These are borne on sturdy, medium long stems. The opening of each glorious rose is a thrilling spectacle of changing, iridescent shades of red. The flowers are very sweetly scented with true rose fragrance, borne singly on perfect cutting stems lasting up to one week even in warm weather. In growth, Chrysler Imperial Rose is compact and symmetrical. Its abundant dark green, semi-glossy, disease resistant foliage gives the bush the appearance of a handsome garden shrub.
